NOTES FOR ALL JUNIOR CLUB REGISTRATIONS

Making the step up from junior to open age group senior cricket is a significant event in any player's cricket experience. It is paramount the player's safety, personal development needs and overall cricket experience are considered. "Every player must be of actual school year 9 or above on the 1st January to be eligible to play senior adult cricket that year". A parent or guardian must sign them off before playing any form of adult club cricket.

Players in school year 8 and below on the 1st January of that year might be considered at the discretion of the GYDC committee. When players of year 8 or below are put forward, any cases will be determined on an individual basis, depending on the player's ability and stage of cognitive and emotional maturity to take part at this level.

Any players in school year 8 or below must be signed off below before club registration is completed. Players in school years 9 and above do not need GYDC authorisation.
